RE: Application of AmeriVon, LLC for a Certificate of Public Convenience
and Necessity to Provide Resold Interexchange Telecommunications
Services and for Approval of its Initial Tariff
Docket No. 2005-351-C, Our File No. 1086-10329

Dear Mr. Terreni:

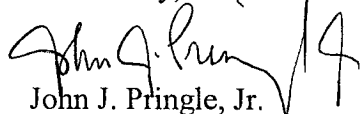

On behalf of AmeriVon, LLC, I hereby request an additional ninety (90) day extension of time to file the performance bond required by the Commission in Order No. 2006-162 issued in the above-referenced Docket. The Company is undergoing some restructuring efforts that once concluded will enable the Company to file an appropriate financial instrument with the Commission. In point of fact, the Company has not begun offering or providing its services in South Carolina to date, and reaffirms that it will not do so until the bond has been filed with the Commission.

I have discussed this matter with the Office of Regulatory Staff, and it is my understanding that agency does not object to this request.

Please acknowledge your receipt of this document by file-stamping the copy of this letter enclosed, and returning it in the enclosed envelope. If you have any questions or need additional information, please do not hesitate to contact me.

With kind regards, I am

Yours truly,
